

XIV Serbian Mathematical Congress SECOND Announcement

We are pleased to announce the **XIV Serbian Mathematical Congress**, that will take place in **Kragujevac** from **May 16 until May 19, 2018**.

The Congress is organized by

Faculty of Science, University of Kragujevac

Homepage of the meeting

<https://imi.pmf.kg.ac.rs/kongres/>

Registration and abstract submission

Is available from November 15th 2017 until **April 15th 2018**.

Registration fees

140 EUR regular, 70 EUR for students, 80 EUR for accompanying persons
Deadline for registration fee payment is **May 4th 2018**.

Proceedings

Selected full research articles will be published in the following journals:

Fields 1-4: **Kragujevac Journal of Mathematics** (ESCI, Scopus, Scimago Journal Ranking, MathSciNet, Zentralblatt für Mathematik)

Field 5: **Journal of Subject Didactics** (DOAJ, ICI Journal Master List) for articles written in English and *Nastava Matematike* for articles written in Serbian

Field 6: **Facta Universitatis, Series: Mathematics and Informatics** (MathSciNet, Zentralblatt für Mathematik)

Workshops

The following workshops will be organized:

- **Time-frequency analysis**
- **Algebraic Topology - Methods, Applications and Computation**
- **Modern Chemical Graph Theory**
- **Data Science**

Award

Mathematical Society of Serbia will assign award for achievements in mathematical sciences for researchers who are in year 2018 at most 40 years old.

The candidate applying for the award or the person (physical person or legal entity) who is nominating the candidate with the candidate's permission for the award, must submit the application by **March 18th, 2018**.
